DETERMINATION OF CUSTOMS VALUES OF TOYOTA HILUX VIGO/REVO OF THAILAND ORIGIN UNDER SECTION 25-A OF THE CUSTOMS ACT, 1969

(VALUATION RULING No. 860/2016)

No. Misc/08/2014-VIIIA/9218

Dated: 27-05-2016

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of Toyota Hilux Vigo/Revo of Thailand origin are determined as follows:-

2. Background of the valuation issue: The customs values of Toyota Hilux Vigo of Thailand origin for model year 2009-10, 2011-2012 and 2013-20 14 were determined vide Valuation Ruling No. 705/2015, dated 14-01-2015. A representation was received from the Model Custom Collectorate of Appraisement (East) indicating that Toyota Hilux Revo of Model Year-2015 and 2016 are being imported having different specifications and values therefore Valuation Ruling may be up-dated. Therefore, an exercise to re-determine the Customs values for subject imported vehicles was initiated by this Directorate General.

3. Method adopted to determine Customs values: The Valuation methods provided in Section 25 of the Customs Act, 1969 were followed, The transaction value method under Sub-Section(1) of Section 25 ibid was found inapplicable because of non-availability of sufficient information as per law, Identical/similar goods valuation methods provided in Sub-Sections(5)&(6) of Section 25 ibid furnished unreliable values and wide variation in the declared values, Deductive Value method under section (7) was also not found helpful in determining customs values of the subject goods because market surveys revealed that values in the local market of such imported vehicles varied from market to market and from one display centre to the other. Consequently information under section 25(8) of the Customs Act, 1969 was gathered for applying computed value method. The MSRP of different grades and models of Vigo and Revo were obtained from M/s Indus Motor Co, Ltd, Karachi. Accordingly, the following FOB values of Thailand origin Toyota Hilux Vigo and Toyota Hilux Revo have been determined/calculated under Computed value method under Sub-Section (8) of Section 25 of the Customs Act, 1969, read with Section 25(9) of the Act ibid on the basis of price of vehicles indicated in MSRP, after allowing 20% discount on account of consumption taxes, acquisition taxes, commission and other charges. However, freight charges shall be added along with 1% insurance and 1% landing charges at the time of assessment.

4. Stakeholders' participation in determination of Customs values: Meeting was held with stakeholders including representatives of M/s, Indus Motors, M/s Sigma Motors and the representatives of All Pakistan Motor Dealers Association (APMDA) on 23-05-2016 to obtain stakeholders inputs on valuation of Toyota Hilux Vigol Revo. The representatives of M/s Indus Motors provided the values of Toyota Hilux Vigo and Toyola Hilux Revo, Thailand origin along with specifications of each variant for different Model years. Views in this regard were also obtained from officers from MCC, Appraisement (East/West), Karachi.

5. Customs values of Toyota Hilux Vigo/Toyota Hilux Revo of Thailand Origin, HS 8704.2190: Toyota Hilux Vigo for model year 2011-2012 and 2013-2014 and Toyota Hilx Revo for model year 2015-16 of Thailand origin, under HS 8704.2190 hereinafter specified shall be assessed to duty/taxes at the Customs values mentioned in Table-A and Table-B respectively:-
