DETERMINATION OF CUSTOMS VALUES OF PVC TRANSPARENT CLEAR FLEXIBLE / PRINTED SHEET UNDER SECTION 25-A OF THE CUSTOMS ACT, 1969

(VALUATION RULING No. 862/2016)

No. Misc/07/2010-II/9352

Dated: 02-06-2016

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of Pvc Transparent Clear Flexible/Printed Sheet are determined as follows: -

2. Background of the valuation issue: Customs values of PVC Transparent Clear

Flexible/Printed Sheet were earlier determined through Valuation Ruling No. 409/2011, dated 28-12-2011. Number of representations was received from importers against the said ruling. The honorable High Court of Sindh at Karachi vide orders dated 10-11-2015 in constitutional petition No. D-6918/2015 directed that in cases where the valuation ruling is more than 90 days old. An importer has approached Director Valuation in terms of Para 21 of the Judgment in the case of Sadia Jabbar su pra, fresh consignments of such importers shall be allowed provisional release in terms of Section 81 of the Customs Act, 1969 by securing the differential amount of duty and taxes in the shape of Pay Order / Bank Guarantee as the case may be, by the Director Valuation and or the concerned Collector without fail. Since more than two years have been passed and a number of representations were received from commercial importers regarding values determined in the valuation ruling dated 28.12.2011, hence an exercise was initiated to re-determine the values of subject items.

3. Stakeholders' participation in determination of Customs values: Meeting with stakeholders and local manufacture was held on 17-05-2016, to discuss the current International prices of subject goods. The view point of all participants was heard in detail and considered to arrive at customs value for subject goods.

4. Method adopted to determine Customs values: Valuation methods provided in Section 25 of the Customs Act, 1969 were adopted and applied sequentially to address the valuation issue at hand. Transaction value method provided in Sub-Section (1) of Section 25 was found inapplicable because it is generally known to all that majority of invoices produced at import stage are manipulated / fabricated and hence the requisite information required under the law was not available to arrive at the correct transactional value. Identical and similar-goods valuation methods provided in Sub-Sections (5) & (6) of Section 25 ibid were examined sequentially for applicability to determine Customs value of subject goods, this data provided some references however, it was found that the same could not be solely relied upon due to absence of absolute demonstrable evidence of qualities, commercial levels etc. and also it was observed that importers usually provide misleading descriptions while declaring their imports, as other types and varieties of similar goods to avoid the valuation ruling. Information available was hence found inappropriate. In line with the statutory sequential order of section 25, this office then conducted a market enquiry using Deductive Value Method under Sub-Section (7) of the Section 25 of the Customs Act, 1969 but the gathered information could not be exclusively relied on. Computed Value Method as provided in Section 25 (8) could not be applied for valuation of the aforementioned goods as the cost of raw material under clause (a) and amount of profit and general expenses under clause (b) of Section 25 (8) of the Act, in the country of export, could not be ascertained. On-line values were also checked. All the information was analyzed and evaluated and Sub-Section (9) of Section 25 of the Customs Act, 1969, was applied to arrive at the assessable Customs values of Pvc Transparent Clear Flexible/Printed Sheet.

5. Customs values of Pvc Transparent Clear Flexible/ Printed Sheet: Customs values of Pvc Transparent Clear Flexible/Printed Sheet hereinafter shall be assessed to duty / taxes at the customs values mentioned below: -

7. Validity of this Valuation Ruling: The values determined vide this Ruling shall be the applicable Customs value for assessment of subject imported goods until and unless it is rescinded or revised by the competent authority in terms of Sub-Sections (1) or (3) of Section 25-A of the Customs Act, 1969.

8. Revision of the value determined vide this Valuation Ruling: A revision petition may be filed against this Ruling, as provided under Section 25-D of the Customs Act, 1969, within 30 days from the date of issue of this ruling, before the Director General, Directorate General of Customs Valuation, 7th Floor, Custom House, Karachi.
