**DETERMINATION OF CUSTOMS VALUES OF MULTIMEDIA PROJECTORS, HOME
THEATRE PROJECTORS, PROJECTOR SCREEN & MICROPHONES UNDER SECTION
25-A OF THE CUSTOMS ACT, 1969**
(VALUATION RULING No. 942/2016)

No. Misc/26/2016-VII/9550

Dated: 03-10-2016

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of Multimedia Projectors, Projector Screen & Microphones are determined as follows:

2. Background of the valuation issue: The Customs values of Multimedia Projectors, Projector Screen & Microphones were determined under Section 25-A of the Customs Act, 1969 vide Valuation Ruling No. 355/2011 dated 18-07-2011. A number of representations were received to re-determine the customs values afresh in the light of existing international market prices, according to different sizes and specifications. Therefore an exercise to determine customs values of Multimedia Projectors, Projector Screen & Microphones afresh in terms of Section 25-A of the Customs Act, 1969 was initiated.

3. Stakeholders' participation in determination of Customs values: Meeting for the determination of customs values of Multimedia Projectors, Home Theatre Projectors, Projector Screen & Microphones with stakeholders was held on 22-07-2016. The stakeholders had been requested to, submit the following documents before or during the meeting.

- A Invoices of imports made during last three months showing factual value.
- B Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- C Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
- D Copies of Sales Tax Invoices issued during last four months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.

The meeting was attended by the importers and the officers from formations. No. documents were submitted in this Directorate General on or even after the said schedule meeting.

4. During the course of meeting, the importers were of the view that the values of Multimedia Projectors, Projector Screen & Microphones were determined five years ago and during the last five years due to revolutionary development in IT industry and manifold increased production of multimedia projectors and other IT equipment prices have substantially fallen down in international market. Resultantly the difference between the present international prices and the values determined vide Valuation Ruling No. 355/2011 dated 18-07-2011 is increasing every day and the VR values of projectors have no relevance with actual prevailing international prices of projectors.

5. Method adopted to determine Customs values: Valuation methods given in Section 25 of the Customs Act, 1969 were followed to arrive at customs values of Multimedia Projectors, Home Theatre Projectors, Projector Screen & Microphones. Transaction value method provided in Section 25(1) was found inapplicable because the requisite information was not available. Identical/similar goods value methods provided in Section 25(5) & (6) were examined for applicability to the valuation issue in the instant case which provided some reference values of the subject goods but the

same could not be exclusively relied on due to wide variation in declared values of subject goods. Thereafter, market enquiry as envisaged under section 25(7) of the Customs Act, 1969, was conducted. The computed value method as provided in Section 25(8) of the Customs Act, 1969, could not be applied as the conversion costs from constituent material at the country of export were not available. Online values of subject goods were also obtained. All the information so gathered was evaluated and analyzed for the purpose of determination of customs values. Consequently, the Customs values of different brands of Multimedia Projectors, Home Theatre Projectors, Projector Screen & Microphones have been determined under Section 25(9) of the Customs Act, 1969.

6. Customs values for Multimedia Projectors, Home Theatre Projectors, Projector Screens & Microphones: Multimedia Projectors, Home Theatre Projectors, Projector Screens & Microphones as specified herein shall be assessed to duty/ taxes at the Customs values mentioned against them in the tables A, B & C annex to this Ruling.

7. In cases where declared/transaction values are higher than the Customs values determined in this Ruling, the assessing officers shall apply those values in terms of Sub-Section (1) of Section 25 of the Customs Act, 1969. In case of consignments imported by air, the assessing officer shall take into account the air freight while assessing the goods.

8. Validity of this Valuation Ruling: The values determined vide this Ruling shall be the applicable Customs value for assessment of subject imported goods until and unless it is rescinded or revised by the competent authority in terms of Sub-Sections (1) or (3) of Section 25-A of the Customs Act, 1969.

9. Revision of the value determined vide this Valuation Ruling: A revision petition may be filed against this Ruling, as provided under Section 25-D of the Customs Act, 1969, within 30 days from the date of issue of this ruling, before the Director General, Directorate General of Customs Valuation, 7th Floor, Custom House, Karachi.

10. The Collectors of Customs may kindly ensure that the values given in the Ruling for the given description of goods are applied by the concerned staff without fail. Any anomaly observed may kindly be brought to the notice of this Directorate General immediately. The Customs values determined in the ruling are for the descriptions and specifications as mentioned in the Tables annexed to this Ruling. HS codes are mentioned for illustrative purposes only so that VR values are made accessible to the assessing officers. The assessment shall be finalized in the correct classifications after fulfilling all formalities relating to importability or any other certifications required thereon. In addition to this, it is further necessary to verify that there is no mis-declaration of any sort or violation of Import Policy Order or Section 15 of the Customs Act, 1969 or any other law in vogue therein.

11. This ruling supersedes Valuation Ruling No. 355/2011 dated 18-07-2011.
