DETERMINATION OF CUSTOMS VALUES OF SELF ADHESIVE STICKER PAPER IN SHEETS, UNDER SECTION 25-A OF THE CUSTOMS ACT, 1969

(VALUATION RULING NO. 1533/2021)

No. Reg. Misc/6/2012-III/376

Dated: 27th May, 2021

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, the custom values of Self Adhesive Sticker Paper in Sheets are determined as follows:

2. Background of the valuation issue: Earlier Custom values of Self Adhesive Sticker Paper in Sheets were determined vide Valuation Ruling No. 1467/2020 dated 07.09.2020. During data analysis, it was observed that prices of said item has been showing upward trend in international market. Therefore, an exercise was initiated in this Directorate to re-determine the customs values of Self Adhesive Sticker Paper in Sheets under Section 25-A of the Customs Act, 1969.

3. Stakeholders' participation in determination of Customs values: Meeting with all stakeholders, trade bodies including representatives of clearance Collectorates was held in this Directorate General on 01-04-2021. The importers/stakeholders were requested to submit their proposals/suggestions as well as following documents before or during the course of stakeholders' meeting so that Customs values could be determined:

- i. Invoices of import during last three months showing factual values
- ii. Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- iii. Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
- iv. Copies of Sales Tax Invoices issued during last four months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.

4. The meeting was attended by importers and stakeholders and their points of view were heard in detail to arrive at custom values of subject goods. During the meeting it was unanimously agreed by all importers that value of sticker paper has increased from 5 to 10 percent in international market. M/s Aqeel Ahmed Associates on behalf of various importers intimated that prices of Self Adhesive Sticker Paper have increased in international market and accordingly, the values be revised in the VR. They also provided documentary evidences in support of their claim. The importers also pointed that prices of papers of different kinds are published in weekly 'Paper Business bulletin' and the department can gauge the import value from the prices published therein. The publication is an independent source where prices of paper of various types, as sold in Pakistan, are given and this is an excellent substitute of market surveys. The prices of paper as given in said publication, documents submitted and the argument advanced during meeting were considered to arrive at Custom Values of subject paper.

5. Methods Adopted to Determine Customs Values: Valuation methods provided in Section 25 of the Customs Act, 1969, were duly applied in their regular sequential order to arrive at customs value of subject goods. The Transaction value method as provided in sub-section (1) of Section 25 of

the Customs Act, 1969, was found inapplicable because no substantial documents were provided by the stakeholders to prove that their declared values were true transactional values. Moreover, different values were declared by different importers for same product according to different origins. Identical/similar goods value methods provided in Sections 25 (5) & (6) *ibid* were examined for applicability to determine customs values of subject goods. The data provided some references; however, it was found that the same could not be solely relied upon due to absence of absolute demonstrable evidence of qualities and quantities of commercial level etc. In line with statutory sequential order of section 25, this office conducted market inquiries using deductive value methods under sub-section (7) of Section 25 of the Customs Act, 1969, wide ranges of prices were observed for some items depending upon variety/quality/count etc. and location of market. Prices as published in Paper business bulletin were also examined but the method solely, was found to be inapplicable. Therefore, valuation method vide Section 25(8) of the Customs Act, 1969, was examined for valuation but the same also could not be applied due to non-availability of conversion and processing cost of exporting country. Finally, clearance data of similar/ identical goods, market information from surveys as well as from the publication, proposal from importers and international prices through internet were examined thoroughly and the information so gathered were utilized and analyzed for determination of Custom Values of Self Adhesive Sticker Paper in Sheets under Section 25(9) of the Customs Act, 1969.
