**DETERMINATION OF CUSTOMS VALUES OF TELEPHONE CABLES UNDER SECTION
25-A OF THE CUSTOMS ACT, 1969**

(VALUATION RULING NO. 1768/2023)

No. Misc/08/2015-VII/437

Dated: 18th April, 2023

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of subject goods are determined as follows:

2. Background of the valuation issue: Earlier, customs values were determined and notified vide Valuation Ruling No.732/2015 dated May-20-2015. The Valuation Ruling was about seven years old and prices of the said goods have considerably changed in the international market. Therefore, an exercise has been undertaken by the Directorate to determine the same.

3. Stakeholders' participation in determination of Customs values: Meetings were convened on 26-01-2023 and 07-02-2021 but no relevant stakeholder appeared in the meeting. Ninety (90) days' clearance data has been retrieved and the same has been scrutinized. Subsequently, market inquiry has been conducted and examined in the light of this Directorate's Office Order No. 17/2014 dated 19-03-2014 and in terms of Section 15(7) read with Section 15 (9) of the Customs Act, 1969.

4. Method (s) adopted to determine Customs values: Valuation methods specified in Section 25 of the Customs Act, 1969, were duly applied in sequential order to arrive at the Customs values of subject goods. The transaction value method as provided in sub-section (1) of Section 25 of the Customs Act, 1969, was found inapplicable due to wide variation of values in import data. Moreover, the requisite information under law was not available to arrive at correct/transaction value. Therefore, identical goods value method provided in Section 25(5) was examined for applicability to determine customs values of subject goods but the same could not be solely relied upon due to absence of absolute demonstrable evidence of quantities and qualities. Then, similar goods value method provided in section 25(6) *ibid* was examined for applicability to determine customs values of subject goods. However, the same also could not be solely relied upon due to the afore-stated reasons. In line with statutory sequential order of Section 25 of the Customs Act, 1969, this Directorate conducted market survey under sub- Section (7) of Section 25 of the Customs Act, 1969. Various markets were checked to observe the actual prices of Telephone Cables. On the basis of available data/ information collected and exercise conducted, the values of subject goods have been determined under sub-Section (7), read with sub-Section (9) of Section 25 of the Customs Act, 1969.

6. Customs values for Telephone Cables: *hereinafter specified* shall be assessed to duty/taxes at the following Customs values:

S. No.	Description of Goods	PCT Code	Proposed PCT for WeBOC	Origin	Customs Values (C&F) in US\$/kg		
					Category A	Category B	Other Brands
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)
01	Telephone Cables	8544.4910	8544.4910.1000	China	2.6	1.9	2.1

Brands: Category-A: Pony/Crescent/Pak/Teletec/Zakcom/Telecom

Brands: Category-B: Million/China

6. In cases, where declared values are higher than the Customs values determined in this Ruling, the assessing officers shall apply those values in terms of Sub-Section (1) of Section 25 of the customs Act, 1969. In case of consignments imported by air, the assessing officers shall take into account the difference between air freight and sea freight while applying the customs values in this Ruling.

7. Validity of this Valuation Ruling: This Ruling, containing the Customs values for assessment of subject imported goods, shall be applicable until and unless the same are rescinded or revised by the competent authority in terms of sub-section (4) of Section 25A of the Customs Act, 1969.

8. Revision of the values determined vide this Valuation Ruling: If aggrieved, a revision petition may be filed against this ruling as provided under Section 25D of the Customs Act, 1969, within 30 days from the date of its issuance, before the Director General, Directorate General of Customs Valuation, 7th Floor, Custom House, Karachi.

6. The Collectors of Customs may kindly ensure that the values given in the Valuation Ruling, for the given description of goods, are applied by the concerned assessing officers / officials without fail. Any anomaly observed may kindly be brought to the notice of this Directorate immediately. The Customs values determined in this ruling are for the descriptions and specifications as mentioned in Para-5 of this Ruling. HS Codes are mentioned for illustrative purposes so that Valuation Ruling is made accessible to the assessing officers. The assessments shall be finalized on the basis of correct classifications after fulfilling all formalities related to importability or other certifications required thereon.

11. This Ruling supersedes the Valuation Ruling 732/2015 dated 20-05-2015.
