**DETERMINATION OF CUSTOMS VALUES OF TOFFEES, CANDIES AND SUGAR
CONFECTIONERY ITEMS UNDER SECTION 25-A OF THE CUSTOMS ACT, 1969**

(VALUATION RULING No. 1832/2023)

C. No. Misc/17/2013-I/1102

Dated: 04th December, 2023

In exercise of the powers conferred under Section 25A of the Customs Act, 1969, the Customs value of Toffees, Candies & Sugar Confectionary items is determined as follows:-

2. Background of the valuation issue: Earlier, the Customs values of Toffees, Candies & Sugar Confectionery items were determined under Section 25A of the Customs Act, 1969 vide Valuation Ruling No.1600/2022 dated 16-02-2022. An exercise has been undertaken by this Directorate to re-determine the Customs values afresh in line with values prevalent in the international market.

3. Stakeholders' participation in determination of Customs values: Meeting was convened on 08-11-2023 which was attended by the relevant stakeholders. The issues pertaining to the valuation of subject goods were deliberated upon in detail in the afore-referred meeting. The stakeholders requested to determine the Customs values afresh in accordance with the trend of values in the international market as the values have declined considerably.

4. Analysis / Exercise done to determine Customs Values: Ninety (o) days' clearance data has been retrieved and the same has been scrutinized. Moreover, import data of Candies, Toffees and Confectionery items was compared with data of Afghan Transit Trade for the same period. After analysis, it has transpired that the total import value of Candies, Toffees and Confectionery items imported into Pakistan decreased from 3.84 million US Dollars to 2.02 million US Dollars (90% decrease) from FY 2021-22 to 2022-23 while, for Afghanistan, total import value under Transit trade substantively increased from 1.96 million US Dollars to 5.09 million US Dollars (160% increase) during the same period.

5. Method (s) adopted to determine Customs values: Valuation methods specified in Section 25 of the Customs Act, 1969, are duly considered in sequential order to arrive at the Customs values of subject goods. The transaction value method as provided in sub-section (1) of Section 25 of the Customs Act, 1969, was found inapplicable due to absence of information as required under sub-section (2) of Section 25 of Customs Act, 1969. Therefore, identical goods value method provided in Section 25(5) was examined for applicability to determine Customs values of subject goods. However, it was found that the same could not be solely relied upon due to absence of absolute demonstrable evidences of quantities and qualities. Information available was, hence, found incomplete. Subsequently, similar goods value method provided in Section 25(6) was also examined for applicability to determine Customs values of subject goods. The assessed values in similar goods import data of Toffees, Candies & Sugar Confectionery items of various forms for the last 90 days of various origins reflected values as per previous VR No. 1600/2022 dated 16-02-2022. However, Declared Values (DV) of similar goods had showed consistent variations. Hence, this method was also found inapplicable. Market enquiry as envisaged under Sub-Section (7) of Section 25 of the Customs Act, 1969 was also conducted but could

yield results to some extent because of variation in market prices. In line with statutory sequential order of section 25, Computed value method, as provided in Section 25(8) of the Customs Act, 1969 was examined, but the same also could not be applied as the conversion cost from the constituent materials and allied expenses, in the country of export, were not available for manufacturing of Toffees, Candies & Sugar Confectionery items. The available data / information collected was thoroughly scrutinized and freight value at the time of previous VR No. 1600/2022 dated 16-02-2022 and prevailing freight values have been examined which are reduced. Finally, the Customs values of the subject goods have been determined under Section 25(9), read with Section 25(7), and Customs Rule 121(2) of Customs Rules, 2001 which provides that the methods of valuation, to be employed under sub-section (9) of section 25 of the Act may be inclusive of those laid down in sub-sections (1), (5), (6), (7) and (8) of the said section, but a reasonable flexibility in the application of such methods would be in conformity with the aims and provisions of sub-section (9) of that section.

5. Customs values for Toffees, Candies & Sugar Confectionery items - Toffees, Candies & Sugar Confectionery items, shall be assessed to duty/taxes at the Customs values as per following Table:-
