DETERMINATION OF CUSTOMS VALUES OF CASHEW NUT UNDER SECTION 25-A
OF THE CUSTOMS ACT, 1969

(VALUATION RULING No. 1837/2023)

C. No. Misc/Cashew/04/2023-I/1161

Dated: 15th December, 2023

In exercise of the powers conferred under Section 25A of the Customs Act, 1969, the Customs values of Cashew Nut are determined as follows:-

2. Background of the valuation issue: Earlier, the Customs values of Cashew Nut were determined under Section 25A of the customs Act, 1969 vide valuation Ruling No.1766/2023 dated 14-04-2023. There were several representations from importers wherein they stated that the Customs values determined in the existing valuation ruling are not reflective of prevailing international market. They requested to determine the Customs values afresh in accordance with the trend of values in the international market. Therefore, an exercise has been undertaken by this Directorate to determine the same.

3. Stakeholders, participation in determination of Customs values: Meeting was convened on 31-10-2023 which was attended by the relevant stakeholders. The issues pertaining to the valuation of subject goods were deliberated upon in detail in the afore-referred meeting.

4. Analysis / Exercise done to determine Customs Values: Ninety (90) days' clearance data has been retrieved and the same has been scrutinized. Moreover, import data of Cashew Nut for past three financial years was compared with data of Afghan Transit Trade for the same period. After analysis, it has transpired that the total import value of Cashew Nuts imported into Pakistan decreased from 840 Million Pakistan Rupees to 110 Million Pakistan Rupees during FY 2020-21 to 2022-23 whereas, for Afghanistan, total import value under Transit trade substantively increased from 280 Million Pakistan Rupees to 2,980 Million Pakistan Rupees during the same period.

5. Method (s) adopted to determine Customs values: Valuation methods specified in Section 25 of the Customs Act, 1969, are duly considered in sequential order to arrive at the Customs values of subject goods. The transaction value method as provided in sub-section (1) of Section 25 of the Customs Act, 1969, was found inapplicable due to absence of information as required under sub-section (2) of Section 25 of Customs Act, 1969. Therefore, identical goods value method provided in Section 25(5) was examined for applicability to determine Customs values of subject goods. However, it was found that the same could not be solely relied upon due to absence of absolute demonstrable evidences of quantities and qualities. Information available was, hence, found incomplete. Subsequently, similar goods value method provided in Section 25(6) was also examined for applicability to determine Customs values of subject goods and was not considered (for application) due to afore-stated reasons. Moreover, Declared Values (DV) of similar goods had showed consistent variations. Hence, this method was also found inapplicable. Market enquiry as envisaged under Sub-Section (7) of Section 25 of the Customs Act, 1969 was also conducted but could yield results to some extent because of variation in market prices. In line with statutory sequential order of section 25, Computed value method, as provided in Section 25(8) of the Customs Act, 1969 was examined, but the same also could not be applied as the conversion cost from the

constituent materials and allied expenses, in the country of export, were not available for manufacturing of Cashew Nut. Finally, the Customs values of the subject goods have been determined under Section 25(9) read with Section 25(7) and Customs Rule 121(2) of Customs Rules, 2001 which provides that the methods of valuation, to be employed under sub-section (9) of section 25 of the Act may be inclusive of those laid down in sub-sections (1), (5), (6), (7) and (8) of the said section, but a reasonable flexibility in the application of such methods would be in conformity with the aims and provisions of sub-section (9) of that section.

6. Customs Values for Cashew Nut: Cashew Nut, shall be assessed to duty / taxes at the Customs values as per following Table:

S. No.	Description of Goods	PCT Code	Proposed PCT for WeBOC	Origin	Customs Values C&F (US\$/Kg)
(1)	(2)	(3)	(4)	(5)	(6)
1.	Cashew Nuts/Kaju	0801.3200	0801.3200.1000	Vietnam	3.25
			0801.3200.2000	Other Origins	3.45

7. In cases, where declared values are higher than the Customs values determined in this Ruling, the assessing officers shall apply those values in terms of sub-section (1) of Section 25 of the Customs Act, 1969. In case of consignments imported by air, the assessing officers shall take into account the difference between air freight and sea freight while applying the Customs values in this Ruling.

8. Validity of this Valuation Ruling: This Ruling, containing the Customs values for assessment of subject imported goods, shall be applicable until and unless the same are rescinded or revised by the competent authority in terms of sub-section (4) of Section 25A of the Customs Act, 1969.

9. Revision of the values determined vide this Valuation Ruling: If aggrieved, a revision petition may be filed against this ruling as provided under Section 25D of the Customs Act, 1969, within 30 days from the date of its issuance, before the Director General, Directorate General of Customs Valuation, 7th Floor, Custom House, Karachi.

10. The Collectors of Customs may kindly ensure that the values given in this Valuation Ruling are applied by the concerned staff without fail. Any anomaly observed may kindly be brought to the notice of this Directorate immediately. Customs values determined in the Ruling are for the description and specification as mentioned in the table of this Ruling. PCT Codes are mentioned for illustrative purposes so that Valuation Ruling values are made accessible to the assessing officers. The assessment shall be finalized on the basis of correct classification after fulfilling requisite formalities related to importability or any other certifications required thereon. In addition to this, it is further necessary to verify that there is no mis-declaration of any sort or violation of Import Policy Order or Section 15 of the Customs Act, 1969 or any other law in vogue therein.

11. This Valuation Ruling supersedes the Valuation Ruling No. 1766/2023 dated 14-04-2023.
